(1) The Governor or Local Board must provide access to cost-effective methods for the collection of the information; or

(2) The Governor must provide additional resources to assist providers in the collection of the information from funds for Statewide workforce investment activities reserved under WIA sections 128(a) and 133(a)(1).

(d) The Local Board and the designated State agency may accept program-specific performance information consistent with the requirements for eligibility under title IV of the Higher Education Act of 1965 from a provider for purposes of enabling the provider to fulfill the applicable requirements of this section, if the information is substantially similar to the information otherwise required under this section.

### § 663.550 How is eligible provider information developed and maintained?

(a) The designated State agency must maintain a list of all eligible training programs and providers in the State (the “State list”).

(b) The State list is a compilation of the eligible programs and providers identified or retained by local areas and that have not been removed under §§ 663.535(g) and 663.565.

(c) The State list must be accompanied by the performance and cost information contained in the local lists as required by § 663.535(e). (WIA sec. 122(e)(4)(A).)

### § 663.555 How is the State list disseminated?

(a) The designated State agency must disseminate the State list and accompanying performance and cost information to the One-Stop delivery systems within the State.

(b) The State list and information must be updated at least annually.

(c) The State list and accompanying information form the primary basis of the One-Stop consumer reports system that provides for informed customer choice. The list and information must be widely available, through the One-Stop delivery system, to customers

seeking information on training outcomes, as well as participants in employment and training activities funded under WIA and other programs.

(1) The State list must be made available to individuals who have been determined eligible for training services under § 663.310.

(2) The State list must also be made available to customers whose training is supported by other One-Stop partners.

### § 663.565 May an eligible training provider lose its eligibility?

(a) Yes. A training provider must deliver results and provide accurate information in order to retain its status as an eligible training provider.

(b) If the provider’s programs do not meet the established performance levels, the programs will be removed from the eligible provider list.

(1) A Local Board must determine, during the subsequent eligibility determination process, whether a provider’s programs meet performance levels. If the program fails to meet such levels, the program must be removed from the local list. If all of the provider’s programs fail to meet such levels, the provider must be removed from the local list.

(2) The designated State agency upon receipt of the performance information accompanying the local list, may remove programs from the State list if the agency determines the program failed to meet the levels of performance prescribed under § 663.535(c). If all of the provider’s programs are determined to have failed to meet the levels, the designated State agency may remove the provider from the State list.

(3) Providers determined to have intentionally supplied inaccurate information or to have subsequently violated any provision of title I of WIA or the WIA regulations, including 29 CFR part 37, may be removed from the list in accordance with the enforcement provisions of WIA section 122(f). A provider whose eligibility is terminated under these conditions is liable to repay all adult and dislocated worker training funds it received during the period of noncompliance.
